Dear General Cabell:

After consulting with the Chief of Naval Operations, I am pleased to advise you that the request made in your letter of 14 October for [redacted] to take the second year rather than the first of the Naval War College course is acceptable to the Navy Department.

STAT

Mr. [redacted] is authorized to change over and join those who are at present taking the second year of the course at the Naval War College. It is understood that this authorization is not to be considered a precedent for future members of your organization who may desire to avail themselves of the first year of the course as recommended previously by the President of the Naval War College.

It is regretted Mr. [redacted] cannot be permitted to attend a certain phase of the second year of the course which is authorized to be presented only to members of the Armed Forces.

I trust the authorization supplied above will satisfy your requirements.

Sincerely yours,

ALBERT PRATT
